

SOLN

Standard I-shaped plates (without mounting holes), self lubricating

Product discription:

Standard I-shaped plates (without mounting holes), self lubricating

Article properties:

Sliding speed v	30 m/min
Base Material	Special Brass (SO#50SP2)
Self-lubricating	Yes
Lubricant	Graphite
Surface Pressure P	100 N/mm ²
P*v-value	200 N/mm ² x m/min
Operating temperature	-50°C / +200°C (max. 300°C)
Friction coefficient	0,07

Variants:
